### *“In Your Service”*

I am so happy to be your National President and *“In Your Service”* this year. *“In Your Service”* is my theme for the coming year. Please remember to sign all NWCA correspondence with this theme (*“In Your Service”* or *“IYS”*) like any other complementary closing. As you do so, think about how you can serve the person you are writing. That is what I am asking of each of you and myself – to serve one another, your communities, our organization and our military families in every way possible. What does it mean to be *“In Your Service”* as an NWCA member? It could be something as simple as taking a cup of coffee to a friend in need or as huge as raising thousands of dollars for victims of natural disasters. How you serve is your choice; I am merely asking that you serve – please.

With that, allow me to congratulate and introduce to you the new NWCA National Board of Directors, Scholarship Foundation Officers, National Chairmen, and other special positions. Your new Board of Directors are: National President Melissa Worthey; National Vice President Julie Sharp; Eastern Region President Annette Kelley; Central Region President Janet Wylie; Northwest Region President Joey Price; Southwest Region President Rose Marie Treadway; National Secretary Kathy Moore; National Treasurer Barbara Stead; and National Parliamentarian Cris Icenhower.

Your new Scholarship Foundation Officers are: Scholarship Director Linda Hedden; Scholarship Secretary/Treasurer Christina Lara.

Your new National Chairmen are: Historian Wilma Kovacs; Membership Hazel Cole; Merchandise Darlene Carpenter; Patriotism & Education Kerry Ricketts; Pin Terri Young; Publications Crystal Wilkerson; NMCCR – vacant; and Mal Coordinator – interim Nancy L.M. Johnson.

Special positions this year are: Archivist Gail Campbell; and Media Coordinator Nancy New. Thank you for your impeccable service to NWCA and our membership this year. You will find all our contact information on the new mailing list. Part of our service is serving your needs whether it is answering questions, making courtesy calls in your area, mentoring, visiting or anything else NWCA related.

Thank you NWCA Great Plains #308 for hosting National Convention. Thanks to your service, we all had a great convention. Congratulations to our many award winners during National Convention! Check the minutes to see who won the awards and start planning for next October now. Speaking of which, we are going to Mayport with the Dixie Area Council as our hosts – see their letter in this issue. Our new website went live while we were at National Convention in South Dakota. There are a few corrections to make and a bit more work and then the member’s only section will go live too. Please be patient as we move things around, fix typos and make your website the best it can be.

Thank you for allowing me to serve as your National Secretary one last year. This position on the Board will be open with this being my last term. If you are interested you need to get your name out. Volunteer to be your Regional Secretary. This is a wonderful experience on a much smaller scale.

I had the pleasure of going to NWCA Princess Anne #143's Installation on November 5th. It was an honor to have been invited. Congratulations to your New Board.

The next day Christina Lara invited all to a brunch. What a wonderful time with old friends as well as new friends. Kenny and I stayed with Sherry Bice and her husband Pete. We had such a wonderful visit.

I'm busy working on the minutes. I hope to have them out shortly after Thanksgiving.

During this holiday season, continue to remember our men and women in our military.

In closing, I want to wish everyone a HAPPY HOLIDAY SEASON!.

**SCHOLARSHIP DIRECTOR**

Linda Hedden  
1300 Hampton Drive  
Summerville, SC 29483

It is an honor and with much excitement that I begin serving as the Scholarship Foundation Director of NWCA. As I look forward to the coming two-years, I know there is so much to learn. I believe that Christina and I have some good ideas to promote the Foundation. Christina and I need to thank Geri Bergh and Susan Pope, outgoing Scholarship Officers for taking so much time to explain the inner workings of the Foundation. A huge thank you also goes to Susan for all her work in getting the signatures changed at the bank.

Onto business—I realize that NWCA recognizes January as Scholarship Month. I would like for us to get a “jump start”. I have included the Scholarship Press Release in this issue. The clubs as well as the Members-at-Large need to place the Press Release into the Base and local newspapers. Christina and I cannot begin to tell you how important it is for you to assist in making people aware of the Foundation.

Next month I will give you some ideas and tips on spreading the word about our Foundation.

This will be my last article to you before convention. I will send you one more to list all the convention donations. The following list is the donations received during August 2011:

NWCA remainder of national project funds

NWCA Memphis #119 - honor of CAPT Doug McGowen, USN (Ret.)

NWCA Totem #277 - donation

NWCA Daughters in Dixie #300 - memory of #86 gophers Perry Trantham & Charles Davis

Total donations for the month of August were \$495. Checkbook balance as of August 31<sup>st</sup>, is \$11,538.96. I don't have the amount of the money market account as those papers are at the auditor's, but I remember it was somewhere around \$600. If you have last month's Connection, it is the same amount as at the end of July. The value of the portfolio investments is \$322,926.24. We currently have \$7,747.38 in the money market account that we have with RBC Wealth Management. We received dividends this month of \$1,302.03. Those funds went into the RBC money market account. It seems the investments have recovered and are holding pretty steady at the moment after the big blip this summer. Got to run. Have lots to do for convention. See you there!

Hope everyone's Thanksgiving was wonderful. Can you believe Christmas is here and 2012 is just around the corner?

National in Huron, South Dakota was wonderful! Everyone and everything was great. The weather proved to be a little from all seasons, no snow though, but I had packed for everything and was ready. Being from the South, I was going prepared. :)

I'd like to thank the National Board for re-appointing me as your National Merchandise Chairman. The samples I had sent to Huron, were a big hit. We are looking at adding a few of those items to our inventory. If we do, I will let you all know and give you a description of them.

We have the Dixie Cup Pins back in stock!!!!!! \$3 each, Flag Pins \$3 each, Heat Transfers \$2.50, Cloth Patch \$3.50, Combination Sewing Kit \$5, Mylars 2 inch \$1.80 and 1.5 inch 25/\$3. With Christmas and the end of the year here, your children and grandchildren will be in need of pencils and pens for the remainder of the school year. Well, we have pencils - \$.30 each and pens \$2 each.

That is just a sample of what we have to offer. Remember, the sale of merchandise goes toward our budget. So BUY! BUY! BUY! and help keep our dues at \$25.

Lastly, I'd like to say THANK YOU, to all of you that gave me gifts at National. I loved them, appreciated them and you and some of those gifts, came in handy, on my trip home. To Lois and Janet, our Hosts and those that helped them, Thank you as well. Cancer is something a lot of us have dealt with, and we should all keep it in the forefront.

From our home to all of yours: MERRY CHRISTMAS AND HAPPY NEW YEAR. We are staying close to home this year. Some exciting news I'd like to share with the rest of you is our second grandchild; Carter Ryan Watkins (male or female) is due March 12. My Gofer and Carter Ryan's Papa's birthday.

First, I would like to thank the National Board for selecting me for the position of National Historian. It will be my pleasure to serve them and the membership in this capacity.

Now, down to the business of creating our organizations' history: First, I would like every club historian to email me at [calvertpl@comcast.net](mailto:calvertpl@comcast.net) so that I can have a list of all of the club historians and communicate with you all on a regular basis. Please send me your name, address and phone number, as well as email address so I have contact options for the future.

As to the history book itself: WHAT you send me is up to you. Here is HOW to send it.

- A. My first preference is to have you email me pictures; these can be reproduced in better quality and don't require you to purchase anything to send them on.
- B. My second preference is to have you send me a CD, again quality is the key. My address is listed above.
- C. My very last preference is to have you mail me pictures. This can cut down in quality as they must be scanned to be included in the history book, but I know that this is the preferred method of some of you.

Please begin sending me pictures immediately. This will help you get started early on your book and will help me to get an early start on the National History Book.

Again, thank you to all for the confidence placed in me. I look forward to serving you in this capacity and also look forward to receiving your pictures so I can see what other clubs do.

I would like to thank the National Board for appointing me as your National Membership Chairman for 2011-2012

I joined NWCA in Naples, Italy in March 1987 and have been an active member since then. My husband Mike retired from the Navy in Charleston, SC and we still live there. I am currently Vice President of Men-Riv Park #240. We have a very active club.

I encourage you to read the operating manual in Chapter Ten regarding Membership and remember that attitude and appearance is an important tool when trying to increase your membership. Every NWCA is a walking advertisement for the organization constantly promoting NWCA, and most members are unaware of doing it. A good salesperson will tell you how important proper attitude and appearance are in selling one's product. We are all sales people, and we must realize that our actions, attitudes, and appearances promote an image of NWCA. Remember that first impressions are lasting impressions.

### JUNIOR PAST PIN CHAIRMAN

Nancy L.M. Johnson [nancylmj58@charter.net](mailto:nancylmj58@charter.net)  
5275 Hilltop Dr. 541 997-8813 (h)  
Florence, OR 97439 541 991-6310 (c)

In my final letter to you as Junior Past Pin Chairman, I want to bring you up to date on the latest in this chairmanship. Ten (10) more dies were given to us by SWJ. Susan Hutchinson was kind enough to pick them up and bring them to National Convention for us.

They were rusty, but Larry was able to shine them up and I have sent them on to HR our new pin company. Dies/trim tools sent were: Numeral's #46, #96, #150, #167, #201 and #241, Alpha letters ER, NWR, and MAL. Whidbey Island #150's Special Island die was also sent. There was also a die of our Membership pin design with a wreath surrounding it. I sent this to HR to evaluate to see if we could use this in some way, perhaps as a charm or necklace. This information will come soon and our new National Pin Chairman, TerriLee Young, will keep us informed.

The National Convention delegation voted to spend the money for club Officer Guard and National Chairman Pin. This is a total of 10 dies with trim tools. Because we're having so many made at the same time, HR is giving us a wonderful price break.

More good news. Our Membership pin can be made into a dangle at no extra cost. They can also provide an 18" chain, SS \$43.00 or GF \$55.00. Our Membership pin can also be made into pierced earrings, post or wire, SS \$50.00, GF \$62.00. Our NWCA Bar pin can be made into a necklace (chain at both ends) SS \$40.00, GF \$48.50. Our other pins and guards can be

made into a dangle for an additional fee of \$2.00 each if design will accommodate. If you'd like a pin or guard placed on a round disk, they can do this SS \$28.00, GF \$34.00 (disk cost only). I have asked to see samples of the chains and disks available to us.

HR can also provide a tri-fold brochure for us, showing all NWCA jewelry available and the pricing. I think this is something we should work on for next year. Pricing will depend on just what we want. I **STRONGLY URGE** all clubs that have not had their dies pulled from permanent storage to do so as soon as possible. We want our brochure to be as complete as possible because this is something that will probably be costly and needs to last a few years. Remember our OC Tanner brochure? This is what we have in mind.

This past year was great, enjoyed it so much. My best wishes to TerriLee our new Pin Chairman. I'm here to help her in any way.

MERRY CHRISTMAS & HAPPY NEW YEAR TO ALL!!!!

I do have a favor to ask of each region. Could you please post a few upcoming activities on our FaceBook page, or send me the information so I can get the word out of what the clubs in your area are doing? I appreciate your efforts and hope you have a Happy and Safe Holiday Season!

The Holidays are upon us and we'll be scurrying to get everything done before we know the time is now! Please forward any address changes to me as soon as possible. I would like to be able to pass on the most complete and up to date information to our new Publications Chairman, Crystal Wilkerson, in January. It will make her job so much easier if she receives the most current addresses for our membership.

With that in mind, the following members Connection were returned.

Lexington Park, MD 20655. PO attempted –

Hope everyone had a great Thanksgiving Holiday. Can you believe this year is nearly over? The Holidays are so busy for everyone and I wish you and your families the best ever.

First I would like to congratulate the new Board and Chairmen. I would also like to thank the Board of Directors for their faith in me and allowing me to serve as your incoming Publications Chairman.
